

# Twist and Secure™ Push Button & E-Stop Safety Covers

## ► Description

- The Twist and Secure™ Push Button & E-Stop Safety Covers are Brady's new patent pending access control devices. These Twist and Secure™ safety covers are made to temporarily prevent access to the ON/OFF and emergency stop controls for production and facility operating equipment.
- Fast and convenient access control device.

## ► Multiple Functions

- Fast and convenient access at the point of need.
- Provides universal access control for each of the three standard push button stem diameters.
- One time installation of the low profile, unobtrusive safety cover base.
- Provides an obvious, visual indication that the equipment control button is inoperative, as well as a view through the translucent cover of the ON/OFF status of E-Stop buttons.
- Standardized bases allow authorized workers to apply a single cover to any of numerous equipment control buttons.
- Renewed innovation of effective safety solutions by the market-leading brand.

## ► Covers and Bases

- Bases come in three sizes: **Small** for 16mm buttons  
**Medium** for 22mm buttons  
**Large** for 30mm buttons
- A clear adhesive label is included for ease of assembly, as well as red and yellow labels that can be placed on the base to make it more visual.

Style No.	Description
11NJA001	Twist & Secure Device - Small Base & Short Cover - 16 mm Button
11NJB001	Twist & Secure Device - Small Base & Tall Cover - 16 mm Button
11NJC001	Twist & Secure Device - Medium Base & Cover - 22 mm Button
11NJD001	Twist & Secure Device - Large Base & Cover - 30 mm Button

Style No.	Description
11NJE001	Twist & Secure Base - Small Base - 16 mm Button
11NJF001	Twist & Secure Base - Medium Base - 22 mm Button
11NJG001	Twist & Secure Base - Large Base - 30 mm Button

## ► Base Installation

The base requires a simple one time installation. The operator can then use the cover on whichever control button or buttons he wants to secure. For this reason, we also offer the bases without covers. Each base comes with 1 clear, 1 red and 1 yellow label.
